Dear Mr. Davitt:

The Illinois Commerce Commission's Order T00-0050 entered October 4, 2000 provides, among other things, for the installation of an interconnect circuit and constant warning time circuitry to operate the warning devices at your Company's grade crossing over Illinois 38 (Roosevelt Road).

Please contact Mr. Mo Ghouse at our district office, 201 West Center Court, Schaumburg, Illinois 60196-1096, telephone (847) 705-4256 concerning construction scheduling and coordination.

Bills for this improvement are to be sent to Mr. Ghouse at the address noted above for processing and payment. All bills need to include the subject of this letter for identification.

Very truly yours,

Cheryl Cathey, P.E.
Chief of Preliminary Engineering
